Betreff: requesting a permission to announce the link to the NLL2FR 2025 proceedings

Dear Florian,

Thank you very much for your contribution to NLL2FR2025.
You may receive the (hidden) link to the proceedings of NLL2FR2025 sent only to the participants of NLL2FR2025.

We also would like to put the permanent link to the proceedings at NLL2FR2025 homepage for a wider publication.
Since you have a copyright of your paper, we need your permission to put your paper in the (published) proceedings.
Could you send me (maymyozin@nii.ac.jp) the following email by 28 November (the latest)?
It is sufficient that one of the co-authors send me the permission.
If we do not hear from you by 28 November, we will delete your paper from the proceedings and put the published proceedings without your paper.

Best Regards,
May Myo Zin
